

MARIPOSA COUNTY UNIFIED SCHOOL DISTRICT
CONTRACTOR REGISTRATION APPLICATION (CUPCAA)
California Uniform Public Construction Cost Accounting Act
2025/2026

What is CUPCCAA?

The California Uniform Public Construction Cost Accounting Act is under the umbrella of the California Uniform Public Construction Cost Accounting Commission (CUPCCAC) and provides for alternative bidding procedures when an agency performs public project work by contract.

- (a) Public projects of \$75,000 or less may be performed by negotiated contract or by purchase order (PCC22032(a)).
- (b) Public projects of \$220,000 or less may be let to contract by the informal procedures set forth in the Act (PCC22032(b)).
- (c) Public projects of more than \$220,001 shall be let to contract by formal bidding procedures (PCC22032(c)).

In November of each year, participating Districts place an ad in various construction trade journals inviting all licensed contractors to submit the name of their firm to the District for inclusion on the District's list of bidders for the following calendar year.

The Mariposa County Unified School District has completed all the requirements to participate in this alternative bidding process and has requested that your firm register.

The Mariposa County Unified School District has elected to become subject to the California Uniform Public Construction Cost Accounting Procedures. The District is inviting all licensed contractors to submit information for inclusion on the District's list of qualified bidders for the 2024 calendar year.

The Mariposa County Unified School District may create a new contractors list effective January 1st of each year and may include any contractor's name it desires on the contractor's list, but must include, at a minimum, all contractors who have properly provided the School District with the required registration information, either during the calendar year in which the list is valid or during November or December of the prior year. A contractor may have their firm added to the School District's Contractors List at any time by providing the required information.

NOTE:

- The registration process is to be notified of construction-related bid opportunities according to your license classification.
- SB 854 became effective July 1, 2014, and requires contractors to register with the Department of Industrial Relations before bidding on public works projects. This registration does not fulfill that requirement.

MARIPOSA COUNTY UNIFIED SCHOOL DISTRICT CONTRACTOR
REGISTRATION APPLICATION
California Uniform Public Construction Cost Accounting Act (CUPCCAA)

Contractors are required to provide all of the information below:

Company name:

Business contact name:

Business contact email address:

Street address:

City:

State:

Zip Code:
